

## Dresden Neighborhood Workshop Supply List

### Fabric Requirements:

Background: minimum 24.5" square (could be pieced or not) - should contrast nicely with the fabric scraps you choose for your houses.

Center circle: two 5" squares

Houses: 20 fabrics 4" x 9"

scraps/multiple fabrics (the more the better)

Roofs and doors: blacks/browns/grays (or whatever color your heart desires roofs and doors to be)

20 pieces 2.5" x 4.5"

20 pieces 1" x 3"

Windows: whites/creams (or whatever color your heart desires windows to be)

20 pieces 1.5" x 2.5"

### Other Special Tools:

Heat N Bond Lite: 1/2 yard

Heat N Bond Ultrahold: 1/4 yard

Dresden Plate Ruler – this is the one I recommend: <https://amzn.to/31lEppT>

Pen to draw on Heat N Bond

Scissors (cutting fused fabric)

Working Sewing Machine - recommend being able to straight stitch, blanket stitch and free motion quilt

Rotary Cutter

6.5" square ruler ... or similar size

Stick Pins

thread and full bobbin – you may want to do some fancy stitching so maybe a few colors of thread

### Optional:

10" Diameter rotating cutting mat (or larger but not too large so it doesn't fit in your sewing area)

Basting Pins - one can baste the quilt before adding the roofs, windows, and doors to the neighborhood.

This will allow for less quilting needed later but makes it a bit bulkier to work. 100% up to the quilter.

\*Batting: minimum 26" square

\*Backing: minimum 27" square

Extra fabrics if you change your mind or decide something wasn't working the way you hoped is always ok!

\*It will be up to you if you want to baste your piece before you start stitching on the houses.
