Welcome to the Curved Square Quilt! This quilt was inspired by one antique drunkards path block named "Around the World" and a new block created by me! (Michael Nardi) named the "Rounded Star"!

Pattern Requirements

- Bryn Mawr Quilts LLC, Drunkards Path Set (3" and 4" set).
- 7 3/4 Yards for backing (vertical seams) or 3 yards of a 108" backing.
- 3/4 yard for binding

NOTE:

The quilt fabric requirements above are based on a basic cutting instructions. When I designed the quilt I personally decided that I was going to use the template set to fussy cut my prints. You will need 1 3/4 yards of a special print in order to achieve this rather than 3/4 of a yard that is required above for **Fabrics 1 & 2**.
