

Southport Sampler

November 2015

Barbara Peterson would have been thrilled. Her family called Karen Brown to tell her that they wanted to donate Barb's entire sewing room to the Guild. They requested a donation be given for items taken and the money be donated to a charity. At our last regular meeting, we approved Women's and Children's Horizons. Karen Brown and her husband moved approximately forty containers of quilting supplies to Pat Hanson's garage. We sorted and set up all the items for a sale (per the family's request) on Saturday, October 10, 2015. Items not taken were given to St. Paul's Lutheran Church quilters, St. Mary's Lutheran Church quilters, Comfort Quilts, and St. Vincent DePaul Thrift Store. Our Guild members were extremely generous and a check in the amount of \$500 was given to Women's and Children's Horizons on October 22, 2015. Quilters can do wonderful things! Rest in peace, Barb.

Community Service Program-Shalom Food Pantry

I dropped off 67# of food, toiletries and many containers of foot powder. My trunk smelled so good and finally realized it was the powder. We also donated \$41 which they use to purchase items from various stores at a discount. Many thanks to all of you.

I think you are great! Quilters are special.

BLOCK OF THE MONTH PROGRAM

Women & Children's Horizons will be the focus for the block of the month blocks.

As a group effort let us "warm up their shelter" with our combined talents.

Please bring your completed Nine Patch Block to the November meeting. We will be collecting the blocks. They will not be raffled off as in the past. You will not get to keep them. We hope to be able to get enough blocks back from the guild members to assemble a twin size quilt. If you are able and willing you can make more than one block. If we don't receive enough blocks for a twin size quilt we will assemble wall hangings, table toppers and or lap quilts.

The quilts will be given to the Kenosha Women's & Children's Horizons emergency shelter. They have 30 twin size beds and can house 10-15 adult women and 15-20 baby to teens in their shelter. We hope to help give them a warm homey place to stay.

The block of the month patterns will be easy to make and you should be able to use your scraps (*we know you have scrap fabric*) that you have at home.

***So remember to do your block of the month block and return it to the Southport Guild meetings each month.

Susan Hanson, Chairperson for Block of the Month

As a group we made 20 something Violet Blocks, enough for a twin size quilt. Keep up the good work!

Side note: The shelter holds several fundraisers throughout the year. If you have a stash of homemade quilts and one speaks to you to be donated, the Shelter would appreciate the donation.

LIBRARY SEWING DAY

It's 'Procrastinator's Day' once again! For those of you who need just a wee-bit more time to finish up this year's donation item, we will have one more Library Sewing Day made available to the Guild before the Parkside Craft Fair. So mark your calendars as we've reserved the Kenosha Southwest Library, located at 7979 38th Ave, from 9:30 am until 4:45 pm on Saturday, November 7th for another fun (and dare I say frantic) day of sewing. We will have experienced quilters on hand to help if you are stuck, offer advice, and share ideas. Come for the whole day or just a portion and enjoy the fellowship of being with other guild members. Projects targeted for Parkside will be collected throughout the day. For those who have already turned in their donation and are looking for something to do, Comfort Quilt kits will also be available or feel free to bring along another project to work on. Don't miss out on this time to group sew - we hope to see you there!

2016 Quilt Challenge Pieces of Poetry

American poet James Tate said “Poetry is everywhere; it just needs editing” and isn’t that what quilting is. We find inspiration/poetry when we view “that” piece of fabric which begins to whisper to us and then speaks louder until we ‘edit’ it, like a word in a poem, into its new place – a quilt. This year’s challenge will blend fabric from Bulgarian artist Silvia Vassileva’s Sonnet collection, by P&B textiles, with a poem that inspires you.

The poem may be published or unpublished (maybe one written by your child, grandchild, or yourself). It may be a nursery rhyme, sonnet, limerick, haiku, Psalm, traditional, or some other form I haven’t thought of. We will be displaying the poem (or the part which inspires you if it’s quite long) alongside your piece at the museum and library. To avoid duplication please contact me with the title of your inspiration as soon as you know. You are provided with a 4” piece of fabric from the collection, selected randomly by you. The piece may be cut apart and used in your design in any way you see fit but the quilt judge must be able to identify the piece upon inspection.

Our Standard Rules:

1. Registration is \$3.00 and may be completed before, after, during meetings or call/text 262.948.8004 or email lfrese@wi.rr.com to sign up sometime between meetings.
2. The quilt must measure 20 inches high and 20 inches wide, this includes border(s) and binding.
3. Your entry may be pieced, paper pieced, appliqued, and/or embellished.
4. The piece may be machine or hand quilted. The piece may be professionally quilted with the quilter’s name included on the entry form.
5. A label on the back of your quilt is required and should include the quilt’s title, your name and the year (2016).
6. A hanging sleeve is optional, however, if you are considering entering other shows you may want to check their guidelines. Also, if you prefer, the quilt can be pinned to the wall through the hanging sleeve rather than the front of the quilt provided a minimum ¼ inch leeway is sewn into the sleeve.
7. Any quilt submitted for display by Southport Quilters’ Guild will be reviewed by a committee consisting of a representative of the venue, the Challenge coordinator, a board member and the president(s) of the board. The decision to accept or reject a quilt is final.

Challenge quilts must be turned in no later than the museum quilt drop off date (March 2016). Quilts will be hung at the Kenosha Public Museum the month of March and the Kenosha Public Library in April. The quilts will be professionally judged and be up for two viewer’s choice awards from museum and library patrons. Contact Cindy Frese with any questions, [262.948.8004](tel:262.948.8004)/lfrese@wi.rr.com.

If you have something in mind but no poem comes with it try going to google or yahoo and type in “poem about _____” and I’m certain you will be presented with several sites and probably tens to hundreds of different poems on the subject and hopefully one will strike you with the heavy hand of inspiration. If you don’t have something in mind these are good poetry sites where you might run across some inspiration.
